Dear Town of Lanigan,

We're thrilled to share some great news with you—your curbside waste collection costs are going down again!

With the removal of the Carbon Tax charge, we have also eliminated it from our service pricing. This means that starting immediately, your new monthly household cart cost is \$11.91.

We understand that every dollar counts, and we're happy to pass these savings on to you. However, we do want to note that if the Carbon Tax is reinstated in the future, we may have to revisit this pricing. But for now—let's celebrate lower costs! 🎉

If you have any questions, please don't hesitate to reach out.

Thank you for being part of our community!
